

Final Programme

Thursday, 29.08.2019

Welcome

1st Session

Performing And Communicating Molecular

Diagnosics

2nd Session

Clinical Studies in Gene Therapy I

Phenotypes – Free Papers

3rd Session - Stem Cells

Franceschetti Medal & Lecture

Paul Sieving, Bethesda, USA

Clinical features and molecular basis of X-linked retinoschisis: From mechanism to therapy.

4th Session

Biomarkers for Substantiating Success in Treatment

Gala Dinner - Restaurant Heyligenstaedt

Friday, 30.08.2019

5th Session

Luxturna Therapy – Recent Developments

with Panel Discussion

Ellsworth Lecture

Laurence Désjardins, Paris, France

Retinoblastoma around the world in 2019

6th Session

Precision Care for Children with Retinoblastoma

7th Session

Clinical studies in gene therapy II

Treatment-associated Posters

Excursion by Bus to Marburg

Gala Dinner – Rauschholzhausen Castle

Saturday, 31.08.2019

ISGEDR General Assembly

8th Session

Secondary Cancer and Survival in Retinoblastoma

9th Session

Patients in focus – with Panel Discussion

François- Lecture

Birgit Lorenz, Giessen, Germany

Biomarkers in IRDs:

Scientifically valid – Clinically relevant

Poster Session

Microphthalmia – Anophthalmia – Coloboma –

Developmental Failures

10th Session - Understanding Treatment Effects from

Natural History Studies

Poster Session – Glaucoma - Foveal Hypoplasia

11th Session

Gene and Cell based Therapies

Scientific Committee

Birgit Lorenz, Giessen, D Elias Traboulsi Cleveland, USA

Francis Munier Lausanne, CH Brenda Gallie Toronto, CN

Knut Stieger, Giessen, D Markus Preising, Giessen, D

Walter Lisch, Hanau, D Dietmar Lohmann, Essen, D

Meeting Office

Department of Ophthalmology

Justus-Liebig University Giessen

Friedrichstr. 18, 35392 Giessen, Germany

Tel: +49-641-985-43837

Email: markus.preising@uniklinikum-giessen.de

Meeting Homepage

Venue

Medical Educational Centre of the Medical Faculty of the

Justus-Liebig-University Giessen

Klinikstrasse 29, 35392 Giessen, Germany

Section Genetics

of the German Ophthalmological Society (DOG)

21. Meeting of ISGEDR

a joint meeting with DOG Genetics

August, 29 – 31, 2019

Medical Educational Centre of the
Medical Faculty of the
Justus-Liebig-University Giessen, Germany

**Genetic Eye Diseases
Facing The Challenges
Of The Future**

Local Host: Prof. Dr. Birgit Lorenz
President of ISGEDR
Speaker of Section DOG-Genetics

Registration fees

Category	Early Bird Registration	On-site Registration
Members of ISGEDR	US\$ 575.00	US\$ 690.00
Non-Members of ISGEDR	US\$ 690.00	US\$ 805.00
Residents and others in-training	US\$ 345.00	US\$ 460.00
Participants from low income or lower-middle income countries (World Bank List of Economies)	US\$ 345.00	US\$ 460.00
Nurses / Orthoptists / Patients excluding social programme including social programme	US\$ 230.00 US\$ 345.00	US\$ 290.00 US\$ 460.00
Spouse registration for social events	US\$ 230.00	US\$ 290.00

Online Registration opens April 15, 2019

Early bird registration closes August 4, 2019.

Online registration closes August 23, 2019

Travel Grants

Travel grant application will open with the meeting registration on **April 15, 2019**. Travel grant application **closes June 16, 2019**.

The International Society for Genetic Eye Diseases and Retinoblastoma will offer at least three (3) travel grants of \$1500.00 and free registration at the meeting to applicants from developing countries and to select residents-in-training on the condition that they present a paper or poster at the meeting.

Applications will be reviewed by the scientific committee and the **winners will be notified by August 1, 2019**.

Continuous Medical Education (CME)

Certification for CME credits is initiated with the State Medical Association of Hesse (LÄKH) and European Union of Medical Specialists (UEMS). Program content and selection of speakers are the responsibility of the planning committee. Support is directed toward the costs of the course and not to individual speakers.

Transfer from Frankfurt (Main) Airport to Giessen

By Train – Deutsche Bahn AG

Take the commuter train (S8 / S9) from Frankfurt Airport (Frankfurt am Main Flughafen Local Trains) to Frankfurt Central Station (Frankfurt (Main) Hbf). Avoid ICE, IC trains and safe money.

Change to Regional Express (RE, RB) trains from Frankfurt Central Station (Frankfurt (Main) Hbf) to Giessen Central Station

Online Search is available by Deutsche Bahn:
www.bahn.de/app_home_pk_de_DEU.shtml

Duration: 70 – 100 minutes | Ticket cost (adults): 16.00 €(single, all way to Giessen)

Note: Train tickets can be purchased at the ticket dispensers on track and online
www.bahn.com/en/view/index.shtml.

By Taxi

Taxis with a taximeter are permanently available in front of the arrivals hall. Licensed taxis are beige and have a black and yellow sign "TAXI" on the top.

Duration: ± 44 minutes | Estimated cost: ±133 €

Mini Cars (available by appointment only)

Star Taxi-Minicar Tel: +49-641 / 33 33

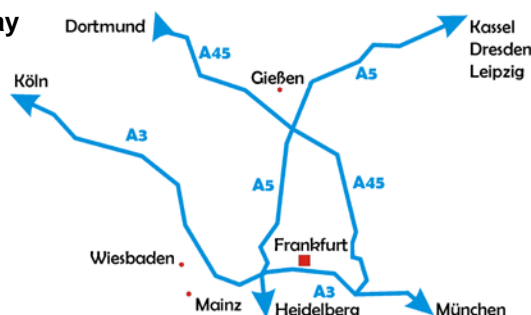

www.startaxigiessen.de/kontakt.html

Lahn City Car +49-641-82082

[//www.lahncitycar.de/kontakt/](http://www.lahncitycar.de/kontakt/)

Fares on request, about 50% of taxi costs (Contact forms in German only)

Motorway

Transfer from Giessen Central Station to Conference Venue

Walking

The venue is in 10 minute walking distance from the central station. Step out of the main entrance of the station, cross the bridge left hand and follow the street (Friedrichstrasse) passing the traffic lights (Frankfurter Strasse). Turn right at the bar protected gate and follow the street straight ahead by passing the Department of Ophthalmology (left side) straight through to next intersecting street (Klinikstrasse) by finally passing the venue (left side).

By Taxi

Taxis with a taximeter are available in front of Giessen Central Station.

Duration: ± 5 - 15 minutes | Estimated cost: ±5 €

Taxi costs depend on the closing of the rail road crossing the taxi needs to cross on its way to the venue.
